

WASHINGTON BASEBALL INFORMATION - 2012

Washington Baseball is funded through the efforts of the boosters, players, and their parents. The school district only provides a minimal amount of funding. Player dues, parent fund raising, and concession stand profits pay for uniforms, baseball equipment, field maintenance, coach's salaries, and away game transportation.

Parent participation is vital to the baseball program. Parent volunteers are needed for the concession stand and for fund raising events. Fund raising events typically consists of selling field signs, team grocery bagging, car washes, etc... **Please volunteer!**

Parent contact information is necessary for schedule changes, weather delays, and general communication about the program. The Booster Club communicates primarily via email - btwbaseball@gmail.com.

Please complete the attached Parent Information Form and send all changes during the season to btwbaseball@gmail.com

BOOSTER BOARD

President – Craig Van Brussel

Vice President – Mark Johnson

Treasurer – Open

Secretary – Gary Foster

Team Volunteer Project – December or January

Team Tryouts – Mid-January

PreSeason Banquet – Late January (WHS Cafeteria – Potluck)

\$650 Fees Due – At PreSeason Banquet (Late January)

PLAYER FEES

Player fees not only cover the player's uniform requirements but also some of the team equipment, field maintenance, and transportation costs. Because the school's budget does not cover these costs, the Booster Club is responsible for these unmet needs.

Fees for the 2012 season will be \$650.

Fees can be paid by PayPal and credit card on our website www.btwbaseball.com

Fees can also be paid in installments in Nov, Dec, and Jan. All fees will be due by mid-January at the PreSeason Banquet. Refunds will be made in full for those individuals that do not make the team.

Field Signs can be sold to reduce your player fee. Selling a \$350 new field sign or \$250 renewal sign will reduce your player fee by \$250. Field sign forms will be passed out to parents in October.
