

Statement Regarding Buses for the 2020 Pre-Participation Physical Exams Event

May 20, 2020

Given that buses cannot provide a true social distancing environment, student-athletes should not be transported via bus to the 2020 sports pre-participation physicals event at Andrews Institute.

We encourage athletic directors, coaches, parents, and students to work together to provide alternate methods of transportation to the event.

As a reminder, adults are not required to accompany their student-athlete and may wait in their vehicle to better observe social distancing guidelines. If necessary, one adult (also wearing a facemask) may proceed through the stations with their student-athlete.

We thank you in advance for your understanding and look forward to serving you on June 6.

Andrews Institute & Baptist Health Care Administration
